

FINESSE DATA PRIVACY SERVICES

DPO AS A SERVICE

PROTECTING DATA | PRESERVING TRUST | POWERING COMPLIANCE.

With the introduction of

UAE Federal Decree-Law No. 45 of 2021 on the Protection of Personal Data

Organizations must demonstrate:

- Accountability in personal data processing
- Clear privacy governance
- Documented ROPA & DPIAs
- Data breach preparedness
- Regulatory cooperation

Regulators expect:

- Structured compliance oversight
- Named privacy ownership
- Demonstrable governance controls

Celebrating
15+ YEARS OF TRUST...

Key responsibilities covered under our DPO as a Service

Governance & Compliance Oversight

Develop privacy frameworks, policies, and governance models while monitoring PDPL and sector regulations.

01

02

Breach & Incident Advisory

Assess breach impact, support regulator notifications, and maintain incident documentation.

ROPA & Data Mapping

Establish and maintain Records of Processing Activities (ROPA), including data inventory and data flow mapping.

03

04

Third-Party & Vendor Risk

Review data processing agreements and assess cross-border data transfer risks.

DPIA & Risk Assessments

Identify high-risk processing activities and recommend mitigation controls.

05

06

Training & Awareness

Deliver privacy awareness programs and executive/board-level briefings.

Data Subject Rights (DSR) Management

Manage access, correction, and deletion requests while ensuring regulatory response timelines.

07

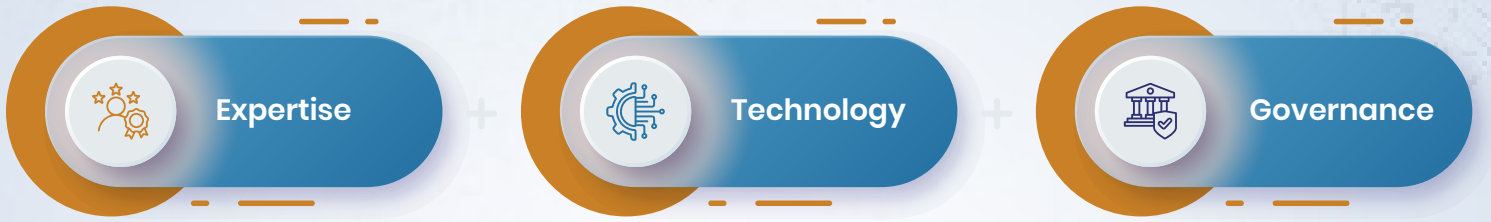

08

Continuous Monitoring & Reporting

Conduct periodic compliance reviews and provide leadership risk dashboards.
